# Class Description

**Aqua Zumba**—Move the party to the pool. Aqua Zumba blends the Zumba philosophy with water resistance, for one pool party you shouldn't miss! Benefits. There is less impact on your joint during an Aqua Zumba class so you can really let loose. Water creates natural resistance, which means every step is more challenging and helps tone your muscles.

**Body Blast**—Weight lifting that's fun. Tone your body and bring definition to your muscles. Great for all athletes in all sports, or if you just want to look good and feel great. Geared to the beginner as well as the more advanced.

**Core and More**—A class that incorporates multiple muscles while concentrating on the core muscles. It is a class that is great for athletes, or just people wanting to get fit. It will strengthen the core muscles making you stronger and less susceptible to injuries. It is great for beginners as well as the more advanced fitness enthusiast. It is a fun workout that you will defiantly see results from. This is a hour and a half class.

**Cycling**—Pedal your way to the best shape of your life by working out on high-performance stationary bikes. This workout will take you through a variety of rides including flat roads, hills, jumps, and sprinting. It's an awesome cardio workout that will get your legs moving, your heart rate pumping, your fat burning, and your energy flowing. Our Cycling 45 will be for 45 minutes and our Cycling 60 will be an hour long class.

**DanceFit**—Get your heart pumping with fun, high energy aerobic routines to HIT songs you know and love. Then build lean muscle with targeted strength training moves to tone your arms, legs, booty and core. Easy to follow routines for all fitness levels.

**Forever Fit**—Low impact, easy to follow exercises for all fitness levels ages 55 and over. There is an emphasis on strengthening and stretching the body to help build bone density and improve balance. It's never too late to start feeling great!

**H.I.I.T.**—High Intensity Interval Training. This high energy, fast paced class is made up of brief all-out exercises, separated by rest periods that you'll wish were just a little longer. We will use full body movement and many incorporate weights, kettlebells and resistance bands for optimal results. In this HIIT class we will be working to utilize our bodies metabolic system to cut as much fat as possible to stay lean and conditioned while adding muscle. This class is great for improving your aerobic and anaerobic endurance for both beginners as well as performance-focused athletes. Be prepared to "BRING IT ALL, AND LEAVE IT ON THE MAT". This is a 45 minute class.

**Pilates**—Every Mat Pilates class will work to balance all muscle group's strength and flexibility, with an emphasis on challenging the core muscles while integrating full body movement. Classes will blend the classical Pilates Method with variations and modifications for all levels. Mat Pilates is a challenging yet safe method to tone your body and to feel increased agility in your every day movements.

**Tai Chi**—This is a great way to keep movement and active.

**Water Aerobics**—This class will incorporate use of exercise equipment (water noodles, aqua dumbbells, and aqua jogger floatation belts). A calorie burning exercise program that is an ideal cardiovascular workout for men and women.

**Water Walking**—This is a great way to change up your work out. Aerobics executed in a low impact water environment. Routine set for seniors. Come out and get your work out in the water and have a great time.

**Yoga**—Are you looking to strengthen, tone, and improve the flexibility of your muscles while creating balance in your body and mind? Come try our new yoga. The result of this is a complete workout that strengthens the body while calming the mind.

**Zumba**—"Ditch the workout-join the party!" Zumba is a high energy, Latin based dance fitness class that will have you begging for more! This effective cardio workout is designed to sculpt the entire body from top to bottom. Zumba has something to offer for all fitness levels, with no previous dance experience required. The most fun that you will ever have in a fitness class!
