

CORNHOLE-HOW-TO

GAME SETUP

Find a nice flat surface on your lawn, in a parking lot, the beach, etc. Set up your boards directly facing each other with 27 feet between the front edge of each board. Cornhole can be played with 2 or 4 players. Pick which side of the board you'll throw from. In a 4-player game, your partner's pitching box will be directly across from you. In a 2-player game, if you start throwing from the left side of the board, you'll walk directly across to the other board, and throw back from the right side. Lastly, pick your bags (4 for each team) and get ready to play!

GAME PLAY

Decide who goes first (usually the ugliest person) then take turns throwing bags with your opponent. You throw one bag, then your opponent, then you, then your opponent, etc. Your feet may not go past the front edge of the board. If they do, a foul is called and you get pelted with cornhole bags. Also, a tossed bag may not touch the ground. If it hits the ground and bounces up on the board, remove it before any other bags are thrown. If its hanging off the board and touching the ground, remove that as well. When all 8 bags have been tossed to the other side, add up the score (see scoring below). If you earned the most points in that single round, your team will throw first in the next round.

SCORING AND WINNING

Scoring is simple. After all bags have been thrown, a bag remaining on the board is worth 1 point. A bag that went in the hole is worth 3 points. Add up how many points you earned and compare them to your opponents. Equal points cancel each other out so that only one team can score per round. For example, if you scored 5 points and your opponent scored 3, you will add 2 points to your overall score and your team will throw first in the next round. If you scored 6 points and your opponent scored 6 as well, there will be no points awarded and whoever threw first in the last round will throw first again. A game is won when a team reaches 21 points with a lead of 2 or more points. The first team to win 2 games wins the match.
