

## Youth Sports Philosophy

To allow our youth to participate in FUN recreational activities, while learning the value of sportsmanship, teamwork and hard work. Our aim is to help the youth learn the fundamentals of different sports and to support healthy living.

### Youth Sports Programs Team Assignment and Selections

All of these programs are RECREATION programs and so our goal is to make all the teams as even as possible. Assignments and Selections are made by the following criteria:

- Requests for specific coaches or for kids to be with their friends are not guaranteed.
- Coach's children will be placed on the same team as their parents.
- Siblings will be placed on the same team if they are in the same age group unless parent would like them on separate teams.
- We will try to honor requests as long as the balance of equitable teams is not compromised.

## Adult Sports Philosophy

South Summit Recreation feels that kids should not be the only ones given the opportunity to "play". So that is why we offer various adult sports leagues and events for active adults.

Our leagues offer opportunities for adults to compete in a safe, fun environment. We try to put on high-quality sports leagues and events for all that are interested, from a multi-year vet to a rookie, they all have an opportunity.

Our adult sports are registered by team. Any neighborhood, business or group of friends can gather up and join us. If you don't have a whole team, we will put you on the "free agents" list and make an effort to try to match individuals looking for a chance to play with teams that are in need of players. If we have enough to make a team, we will. We cannot promise that we can find teams for people on the list.

While we recognize that competing is fun, we do emphasize sportsmanship with our "Player Code of Conduct" in all adult sports leagues. We want everyone to give their best for the team, but we also want all of our participants to WALK off the field at the end of the day happy and healthy.

Misconduct in any of our leagues will not be tolerated. Team captains are responsible for the conduct of their team and spectators.
